

*08/21/2022 The Light speaks to you:
Beloved Soul of the Source Hierarchy,
it is your Source that awakens
the Essence within you.
Hear the voice and feel your energy.
It guides you.*

08/21/2022 Unite in Peace ∞ A Prayer for Peace

*Holy Light, I invite you to place
your beauty and sequence in the inner space of my sensations,
so that I may feel peace and love for all-that-is,
so that I may realise that I am peace.*

*Holy Light, guide me from now on into
the sacred spaces of inner peace.*

*May silence surround me and
the vastness of my light expand.*

Holy Light, kindle the flame of peace within me.

I recognise myself in peace.

I bless peace.

*So may the energy of peace within me go out
and connect with all the lights of peace in this world.*

A sacred fabric of light is created.

Peace within us strengthens all connections.

Holy Light, knowledge grows and expands.

Let peace arise through the sacred fabric of connectedness.

I AM PEACE."

ESSENCE OF THE SOURCE

Speak the Peace Prayer whenever your inner guidance directs you to do so. I recommend saying it daily to strengthen peace. Thank you for your support and for anchoring peace.
